## Park City Spreads the Love with Share-A-Bear

**MERRILL, WISC.** – For the twelfth year in a row, Park City Credit Union inspired members to make a difference by participating in the Share-A-Bear program for Children’s Miracle Network Hospitals. This year, Park City raised a total of \$4,487.31 for sick and injured children in the Northwoods.

These proceeds were donated to CMN Hospitals at Marshfield Children’s Hospital. The stuffed animals and donations will provide comfort, financial aid, and support to the children and their families. In 2021, each child that came to Marshfield Children’s Hospital for a surgery, procedure, or hospital stay received a stuffed animal through the Share-A-Bear program.

“It’s incredible to see the joy and comfort that a stuffed animal can bring to a child,” said Park City CEO Val Mindak. “This annual fundraiser is very close to our hearts. It is one of the ways that we get to partner with the community to impact lives. We love to show our care for those who need the support now more than ever.”

There are 170 member hospitals in the Children’s Miracle Network Hospitals across the U.S. and Canada. CMN Hospitals said that the COVID-19 Omicron Variant has increased strain on the children’s hospitals. The funds raised will provide relief for the hospitals as they work to deliver life-saving treatments.
